**Some important lines of the regulation implemented from Session 2014 - 16**

- A candidate must secure at- least 40% marks in each theory paper separately and a minimum of 45% in total. For CIA a minimum of 50% marks and for practical 40% marks (whenever applicable) is needed to be declare pass
- If a candidate passes in at least two papers his/her first, second and third end semester examination out of four papers, he / she shall be promoted to next higher semester.
- A candidate must clear all the four papers of semester I, at least two papers of semester II and two papers of semester III in order to be promoted to the fourth semester.
- Even if a student is promoted to fourth semester his final result will only be declared when he /she has cleared all their backlog papers.
- A student has to score minimum 50% marks in his CIA (Continuous Internal Assessment). Failing to secure minimum marks he will have to repeat the CIA along with the students of the same semesters of the next academic session.
- If a student fails to secure minimum 50% marks in CIA (Continuous Internal Assessment) of any paper his result will be declared as fail in that paper. Student shall have to reappear in that paper in the same semester of next academic session. The name of the promoted candidate/ candidates will not be included in the merit list of that subject.
- A promoted candidate, if he has passed in CIA but fails in theory paper/ papers, he/she shall retain his/her CIA award and will reappear in the theory paper only of the semester whenever available. However if a candidate is declared fail in any ESE (End Semester Examination), shall retain nothing and will have to redo the course work of failed semester again and he has to appear again in CIA as-well-as theory paper.
